

BRASS "S" HOOKS

Technical Data

Description

Our Solid Brass "S" Hooks are sturdy and easy-to-close for attaching valve tags. The hooks are solid brass and are 1¼" (31.75 mm) in length. 1¾" (44.4 mm) hooks are also available by special order. Supplied in boxes of 100.

The hooks are ideal for non-caustic environments.

MSI Part Number: 15770

Information on physical and chemical characteristics is based on tests we believe to be reliable. The values are intended only as a source of information and are given without guarantee and do not constitute a warranty. Purchasers should independently determine, prior to use, the suitability of this material for their specific application.
