

ENAMELED ALUMINUM SIGNS WITH RUGGED-KOTE

Technical Data

Description

Rugged-Kote enameled aluminum Signs make great looking permanent indoor or 3 year outdoor durable signage.

Each sign can be customized to your specific need at no additional charge. Signs may be double sided upon request.

Signs may be attached in a variety of ways: Solid brass or stainless-steel S hooks and Jack Chain, Chain-link fence brackets, Screws, 3M VHB Tape, 3M 468 Adhesive, PL Premium adhesive among others.

Enameled Aluminum signs are coated in our high performance proprietary and environmentally friendly Rugged-Kote surface treatment

Standard sizes are: 14"x20", 10"x14", 7"x10", 5"x7" and 2"x6" all with 3/16" corner holes - customization available upon request.
