

Marking Services Incorporated

Anodized Aluminum Valve Tags

Marking Services, Inc. (MSI) offers anodized aluminum valve tags for identifying and tagging valves easily and cost-effectively. Easy to read anodized aluminum valve tags from Marking Services provide a highly visible contrast between the etched legend and the colored background. Our anodized aluminum valve tags provide marking of critical information on valves, instruments, small piping, cables and fugitive emission locations.

Anodized aluminum valve tags are easy to read providing excellent visibility for important operational information. Numbered anodized aluminum tags provide fulfillment to your specification.

- Extremely durable anodized aluminum tags can be used indoors and outdoors and are especially useful in environments with extreme heat or cold
- Standard anodized aluminum tags are available in 1 1/2" and 2" diameter and 1 1/2" and 2" square
- Standard 1/4" letter height
- 20 gauge (0.032" thick, 0.812 mm) standard thickness
- Anodized aluminum valve tags feature information etched through the surface color to allow the natural aluminum to clearly show
- Matte finish anodized aluminum material
- Background colors available: Black, Green, Red, Blue, Gold, Natural or Orange
- Standard mounting with a 3/16" diameter center hole; alternative options for mounting available
- Solid brass "S" hooks, stainless steel "S" hooks or jack chain recommended for tag attachment
- Service temperature range: -200° F to 250° F (-128° C to 121° C)
- One-off tags and sequential numbering available
- Custom sizes, colors, and thicknesses available on request
- Tags can be customized with your specific valve numbers, location and pipe function information

Marking Services improves and standardizes the identification of hazards and components to promote safer work environments and minimize downtime due to errors or accidents. We provide a full complement of identification products designed to fulfill identification needs in nearly any environment.

Through our commitment to providing value-added services, high-quality products and on-time delivery, MSI offers you a one-stop, comprehensive source for all your identification needs.
