

SPRAY STENCIL INK

Technical Data

Description

Our stencil inks are ultra-opaque and fast drying, to penetrate and adhere to any unprepared surface - whether hot or cold. Ideal for applying new stencils to unmarked containers, steel, lumber, or for covering old markings. Permanent, quick-drying, weather-resistant ink. Stencil ink provides high-contrast marking on pipes and insulation. Colors available: Black, White, Blue, Red, Yellow and Green. 12 ounce can, approximately 10 square feet of coverage.

- Match Federal 595 color Standards
- California VOC compliance: Stencil inks are currently not regulated by the EPA or any of the individual air districts.
